

Shri Shankaracharya Group of Institutions, Bhilai (C.G.)

Anti-plagiarism Mechanism

Plagiarism has become a serious issue for students, academicians, researchers and institution as a whole. It puts a question mark on the very credibility of an academic institution.

Shri Shankaracharya Group of Institutions is committed to prevention of plagiarism. The Institute follows the guidelines issued by UGC, AICTE and the affiliating university, on prevention of the menace of plagiarism, which consists of creating awareness among students and academic community about academic integrity and dangers of plagiarism, use of software for detection of similar textual content already published in various information sources, etc.

For Ph.D. research works, the institute follows the procedure prescribed by the affiliating university viz. C.G. Swami Vivekanand Technical University, Bhilai (C.G.) that consists of the following steps:

- submission of thesis in the prescribed format for plagiarism check by software,
- in case of detection of similar content beyond the permitted limit/plagiarized content, appropriate measures under the supervision of the guide to ensure originality of research output
- Handling the alleged plagiarism
- Punishment
- Counselling
