Department of Electrical and Electronics Engineering

Department of Electrical and Electronics Engineering, Shri Shankaracharya Group of Institutions organized a two days workshop on "I Robotics" from 30-31st Oct 2015. The workshop was intended for the UG & PG students. Workshops are tools to enrich the students with in-depth review or introduction to a topic of interest of the students, that are immediately useful and ideally devote their significant time to the hands-on activities. Students were given a chance to deal with intelligent machines. Response of the students was appreciable.

The two days Workshop sessions was graced with the presence of Resource Person **Mr. Ravi Sharma**, Roboshastra, Bhilai
