Dear Sir/Madam,
Greetings from All India Council for Technical Education..!!

We are happy to inform you to the 17th SSP Online University Visit in collaboration with Rikkyo University on October 15, 2022 (Sat.). Rikkyo University was founded in 1874 as a private school that taught Bible studies and English to the students of foreign nationals in Tokyo. It was established by a bishop, an Epsicopal Church missionary from the U.S. Rikkyo University retains its tradition of education modeled on the Western traditional liberal arts college. The student population at Rikkyo University is small compared to other major private universities, and there is an active interaction among faculty, staff, and students. The main campus of Rikkyo University is located in Ikebukuro, which is one of the major hubs in Tokyo and provides an easy access to train stations such as Shinjuku, Shibuya, Akihabara, and others.
