Department of Electrical and Electronics Engineering

Two days workshop on "Android Botix"

Department of Electrical and Electronics Engineering, Shri Shankaracharya Group of Institutions (FET), SSTC in association with IEEE Student Branch SSTC, **E-cell IIT Bombay** and **Robokart.com** organized a two days workshop on Android Botix from 2-3 September 2016. The workshop was intended for the UG & PG students.

The main object of the workshop was to build awareness and mindfulness regarding the technical aspects in the society. Through this workshop, the participants came to know the necessity of being updated with the latest technology. They came to know the various possibilities with android in their day-to-day lives. They now can connect to the things or modules more efficaciously. The workshop led to the total strength of 94 participants including Graduates, Undergraduates and Faculties from various institutions.
