Department of Electrical and Electronics Engineering Workshop on Cyber Security

Department of Electrical and Electronics Engineering, Shri Shankaracharya Group of Institutions (FET), SSTC along with IEEE Student Branch SSTC organized a two days workshop on " **Gesture Controlled Robotics**" from **27-28 October 2017**. Mr Nishant from ProTrex, Mumbai updated students about the cyber security. Cyber security refers to the technologies and practices invented to protect networks, devices, programs, and data from attack, damage, or unauthorized access. Cyber security may also be referred to as information technology security.
