## Department of Electrical and Electronics Engineering

### Workshop on "Digital Design Through Arduino"

With the idea of shifting the study of Digital Electronics from black board to bread board Department of Electrical and Electronics Engineering, Shri Shankaracharya Group of Institutions (FET), SSTC in association with **Teaching Learning Centre (TLC) IIT Hyderabad** (under PMMMNMIT, MHRD) organized a workshop on "**Digital Design through Arduino**" on 6 Aug. and 13 Aug. 2016 at SSTC, FET, Bhilai. **Dr G V V Sharma** professor IIT Hyderabad explained how study of digital electronics can be made interesting using Arduino. The workshop was organized in two separate batches one on 6 August and the other on 13 August 2016. A complete hands on session was provided to the more than 50 participants. It was indeed a great learning experience as the feedback received from the participants was positive.

Inauguration of workshop with "saraswati puja"

Participants with the resource person Dr G V V Sharma

Dr R N Patel  
Coordinator

Dr P B Deshmukh  
Director, SSTC
