Department of Electrical and Electronics Engineering

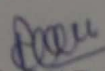

Workshop on Sensor designing

Department of EEE organized a two days workshop on "Sensor Designing" from 31Oct-1st Nov 2015. The workshop was intended for the UG & PG students.

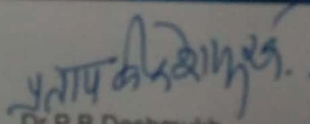

Event was all about making students aware of designing and building of an operational system, to understand how to design a system with sensors and interfaces. Students devoted their significant time to develop the understanding of how to use embedded & wireless hardware and programming skills to realize a system design.

The two days Workshop sessions was graced with the presence of Resource Person from **Mr. Harsh Chauhan, Roboshastra, Bhilai.**
